

input\_process\_button

```
graph LR; A[input_process_button] --> B[event_fire]
```

The diagram consists of two rectangular boxes connected by a horizontal blue arrow. The left box is filled with a dark gray color and contains the text 'input\_process\_button'. The right box is white with a black border and contains the text 'event\_fire'. The blue arrow points from the right side of the gray box to the left side of the white box.
