

freelist

```
graph BT; vulkan_buffer[vulkan_buffer] -.->|buffer_freelist| freelist[freelist];
```

The diagram illustrates a pointer relationship between two variables. At the bottom is a grey rectangular box labeled 'vulkan\_buffer'. A dashed purple line originates from the top center of this box and points upwards to a white rectangular box with a black border labeled 'freelist'. To the right of the dashed line, the text 'buffer\_freelist' is written in a light grey font, indicating the name of the pointer or variable that connects the two.

buffer\_freelist
