

application_config

```
graph BT; game[game] -.->|app_config| application_config[application_config]
```

The diagram illustrates a dependency relationship. At the bottom is a gray rectangular box labeled 'game'. A dashed purple arrow points vertically upwards from the 'game' box to a white rectangular box with a black border at the top, labeled 'application_config'. To the right of the arrow, the text 'app_config' is written in a light gray font.
