

vec4\_u

```
graph BT; material_config[material_config] -.->|diffuse_colour| vec4_u[vec4_u];
```

The diagram illustrates a dependency between two variables. At the bottom is a gray rectangular box labeled 'material\_config'. A dashed purple arrow points vertically upwards from this box to a white rectangular box with a black border labeled 'vec4\_u'. To the right of the arrow, the text 'diffuse\_colour' is written in a light gray font, indicating the variable or property through which the dependency is established.
